An original, German Kriegsmarine Dagger & Scabbard. This dagger is one of several Nazi blades we recently acquired that are new to the market having been in storage wrapped in Newspaper since the 1960\'s & 70\'s when they originally came into the possession of a market trader. The dagger\'s blade has crisp etched & blued on both sides with marine fouled Anchors together with scroll work panels. The blade has areas of light staining consistent with age. The ricasso is marked with the makers name and Squirrel Logo 'Original Eickhorn Solingen'. It has the distinctive Kriegsmarine 'Eagle' Pommel, ornate cross guard with fouled anchor device, scabbard retaining button that works as it should and correct Ivory hue resin grip with wire binding which is tight and secure. The dagger is complete with original scabbard which is decorated with a 'hammered' and etched design. The scabbard has 2 hanging ring mounts with Oak leaf decoration. The mounts are fitted with original hanging rings. The price includes UK delivery. Sn 21385:13
