Description

1930's 3rd Series Webley Service MK II .22 Calibre Air Rifle. Sn 15441 - 15441

This is an excellent, original 1930's 3rd Series Webley Service Mark II Air Rifle in .22 Calibre. These rifles introduced C1935 had a modified centrally mounted flip up aperture rear sight, an improvement on the earlier Type 1 & Type 2 side mounted Webley Service sights (see Chapter 2 of Thrale's book Webley Air Rifles 1925-2005). The trigger guard of the rifle is stamped with serial number 'S3940'. The left side of the cylinder is stamped 'WEBLEY SERVICE AIR RIFLE MK II MANUFACTURED BY WEBLEY & SCOTT LTD, BIRMINGHAM, ENGLAND' and with the Webley 'winged pellet logo'. The barrel is stamped '.22 CALIBRE'. It has the Great Britain, USA, Spain, Germany and Canada 1925 patents stamped on the Right Side of the air chamber. It also has the correct patent Number '371548'. Its original wood stock is excellent and undamaged with chequered panels at the wrist & ribbed horn butt plate. It has its correct original centrally mounted flip up rear sight, dial adjustable sight, block and blade fore sight & push button barrel retaining catch. The rifle loads and fires as it should with a strong spring action. The price includes UK delivery. Sn 15441
