## Description

Early WW2 'Blitzkrieg' Nazi German Luftwaffe K33 Fighter Pilot's Brown Leather, Fleece Lined, Combat Flying Helmet By Wriegal & Wagner . Sn 15793:16 - 15793:16

This is an excellent original K33 Luftwaffe flying helmet. These helmets are similar in construction to the LKp S100 & FK34 flying helmets but had no provision for communication equipment. K33 helmets were issued to fighter pilots and air crew in combat positions where no communication was necessary early in the Blitzkrieg (see page 23 of Luftwaffe Vs RAF by Prodger). All leather, straps with buckles and press stud fasteners are present clean and intact. The leather is supple. The helmet has the correct clean fleece lining and original, crisp, ink printed, cloth manufacturer's label 'Wriegal & Wagner Uchtenfels Bayer Ostmark Grosse'. The helmet would fit approx. head size 6 ½. The price includes UK delivery. Sn 15793:16
