An effortless action with stealth as standard

The Air Arms S510 takes the proven 400 series format and gives it a new level of sophistication. The rifles smooth and virtually effortless sidelever action cycles each pellet with a flex of the wrist. This refined sporter is all about quiet precision. Shooting straight has never been easier or more satisfying.

- Fast and Smooth side lever action
- Threaded shroud for optional external moderator
- Fully shrouded barrel
- Trigger mounted safety
- Adjustable two stage trigger
- 10 shot magazine
- In-line 20 micron filter
- Built-in manometer
