Take the fast, direct concept of the Micro-Movement Cocking system, add a spring-assisted loading bolt, then build these into a superbly compact, full-power, precharged pneumatic action, complete with silenced, match-accurate barrel and a fully-chequered stock, and you're looking at the hottest ultra-carbine on the market.

The BSA Ultra SE provides top spec performance and unique handling qualities in a stylish, affordable package. Perfectly balanced and designed for fast target acquisition, the Ultra SE is purpose built to take your sporting shooting to an exciting new level. Its a lightweight stalker, a super-compact ratter, the ideal hide-hunting rifle and much, much more. Its the BSA Ultra SE a genuine mini-supergun

Precision, two-stage trigger

Crisp, predictable and adjustable for engagement and stage length, the Ultras trigger is a real sporting advantage.
