Socket Bayonet for the India Catch Musket. Sn. BAYO 330 - BAYO 330

This bayonet is virtually the same bayonet as item 126 in the Indian section of British and Commonwealth Bayonets by Ian Skennerton. All the dimensions are the same i.e.- Overall length 19.75 inches, blade length 15.75 inches with a muzzle ring diameter of 23.9 mm. There are no markings on the bayonet but Skennerton states that this style dates to between 1840 and 1855 when Indian patterns followed the British locking ring style introduced with the Pattern 1853 bayonet. See Skennerton item 126 on page 328. Price includes UK delivery. Sn. BAYO 330 £225.00
