

## Indian Enfield Type .65 Carbine Muzzleloader .65 Rifles

£ 295

📍 London, Thames Valley

Private

07709 087 892

● Rifles ● Muzzleloader ● Indian Enfield Type ● .65

A very attractive little percussion carbine with captive swivel ramrod .Birmingham proofs and British regulation type furniture, although I believe the lock and hammer are a ( well fitted ) colonial replacement , the lockplate being converted from a flintlock type . Clean overall and working well . £295 . Can post for free UK , or can be viewed/collected SW London .
