Uberti 1858 New Army 5 1/2" Barrel Black Powder Revolver Improved 44cal. Steel frame as standard. Brass trigger guard. Six shot cylinder. Two piece walnut grip. Barrel length: 5 1/2inch. 7 Grooves. Left hand twist. Total length: 345mm Weight: 1.22 Kg. In 1959, Aldo Uberti founded A. Uberti, S.r.l. in the village of Gardone Val Trompia in the Italian Alps and began making replicas of Civil War-era cap-and-ball revolvers.

As the experience and skill of his craftsmen grew, Uberti expanded into replicas of rifles. Not only are the Uberti guns exacting replicas down to the finest detail, but with modern machinery and materials, theyre actually better than the originals.
