Wembley MKVI 4.5mm BB Co2 Air Pistol

Built from the original blueprints and famously know all over the world comes the brand new installment from Webley, the MKVI Air Pistol

Also commonly known as the Webley Top-Break revolver or the Webley Self-Extracting Revolver, it was used in active service for over 75 years in various and at one point was the standard issue for the British Army, especially in the First World War.

This Webley air pistol has a 6 shot capacity in this model provides a good number of shots before having to reload, and the markings are as the original 1915 markings.
