~ WW2 German Deutsche Wehrmacht Armband ~

The Wehrmacht was the unified armed forces of Nazi Germany from 1935 to 1945. It consisted of the Heer (army), the Kriegsmarine (navy) and the Luftwaffe (air force). The designation "Wehrmacht" replaced the previously used term Reichswehr, and was the manifestation of the Nazi regime's efforts to rearm Germany to a greater extent than the Treaty of Versailles permitted.

A number of these armbands were in use during the war. This is just one of the examples with black letters stitched on yellow cloth.

As seen in the pictures, the armband is in good condition.
