Boxed, Post War Webley Junior Series 2 .177 Calibre Air Pistol With 'A' Factory Inspection Mark & Accessories. Sn 15663:19 - 15663:19

Post WW2 Junior Series 2 air pistol's had shorter barrels than the pre war Series 1 Juniors. They also has plastic stock plates rather than tin stock plates which were fitted to 1st Series pistols. This is a boxed Webley Junior Series 2 .177 Calibre Air pistol (see page 96 of Webley Air Pistols by Bruce). It is undamaged with original finish which has some rubbing to the finish on one side. It has the correct black plastic grips with embossed Webley logos. The left side of the cylinder is stamped 'The Webley Junior .177 Webley & Scott Ltd Birmingham Made In England'. The left side of the frame has an 'A' factory Inspector's mark which is one of the factory inspection marks that have been noted on these pistols (see page 51 of Bruce's book). The front of the cylinder is stamped with serial / batch number '1826'. It has a blade foresight, adjustable rear sight and it cocks & fires as it should. It is contained in its original Orange background Webley labelled cardboard box with vivid Webley pistol imagery, Junior model detail and Webley's Birmingham 21 address. Original Webley instructions are adhered to the inside of the box lid. The box contains a small cardboard 'Beatall Waisted' pellet box which contains a quantity of .177 calibre lead pellets, a small number of .177 calibre darts, 2 spare washers, main spring and Webley Medallion. The price includes UK delivery. NB As a post 1939 Air Pistol the restrictions of the Crime Reduction Act apply to the sale & delivery of this item. Sn 15663:19 £245.00
