~ WW2 German Original Nazi Flakhelfer Armband ~

A Luftwaffenhelfer, also commonly known as a Flakhelfer, was, strictly speaking, any member of the auxiliary staff of the German Luftwaffe during World War II. Such terms often implied students conscripted as child soldiers.

Our armband is a one piece example with printed insignia on it.

~ Condition ~

As seen in the pictures, the armband is in good condition.

~ Postage ~

UK postage is £8 or it can be collected in person from our shop.

For international postage please contact us via the messaging service and we will post tracked at cost.
