## Description

Smith & Wesson Model 67 (Medium K Frame Series) Stainless Steel .38 Special Calibre 6 Shot Military & Police Revolver\*\*UK/EU DEACTIVATION CERTIFICATED\*\* Sn 17869

The K-Frame revolver is one of the most important innovations in Smith & Wesson history and was built specifically to handle the .38 S&W Special cartridge. The medium K-Frame series of revolvers have been a favourite of military and police professionals. The S&W K frame Model 67 is the similar to S&W Model 10 revolvers but with the addition of adjustable rear sight. This is an excellent original example of the Model 67 in stainless steel. It has a 4" heavy barrel with blade foresight and adjustable rear sight. It has undamaged S&W signature grips with chequered panels. The right side of the frame has the S&W Springfield USA address and S&W trade mark, the barrel '38 S&W Social CTG'. The left side of the barrel 'Smith & Wesson'. It is serial number '5K20642'. Deactivated to UK/EU specification in 2020, the pistol has a ringed cylinder, blocked & slotted barrel. The trigger rotates the cylinder & the hammer moves. The price includes UK/EU deactivation certificate and UK delivery. The price includes UK/EU deactivation certificate & UK delivery. Sn 17869
