This is a Taiwanese made version of the compact Beretta PX4 Storm. This pistol has a polymer lower frame with easily exchangeable backstraps and a full metal slide which gives this pistol a realistic weight in the hand. Green gas capable out of the box with a magazine that holds 25 rounds making this is a serious skirmish contender. This pistol fires at around 300fps out of the box with green gas and has an adjustable hop-up. A comfortable pistol to hold and fire with a snappy blow-back action!

You MUST be 18 or over to purchase this.

Please note this is a VCRA applicable Realistic Imitation Firearm. You must be UKARA registered (or have a defence under the VCRA) to purchase this as is, for more information please click here. Please contact us or state your UKARA registration number in the comments box when you order.

If needed we can spray this for you (at an extra cost of £10.00) so that it meets the requirements to allow anyone over 18 to purchase this. Please select this option from the menu above.
