● Air Rifles ● SMK - Sportsmarketing ● Pre-charged Pneumatic ● .177

This is the model MX10 and is made for Sportsmarketing by Aselkon in Turkey. The level of finish on these guns has to be seen to be believed. They are fully regulated, have accuracy that is as good as you are going to get and the trigger breaks like snapping glass. It comes with 2 x 12 shot magazines and a hard case making this gun probably one of the best value guns on the market.
