British No5 Mk1 Second Pattern Jungle Carbine Bayonet - BAYO 614

This is a good condition No5 bayonet made by Wilkinsons and is marked to the blade with their trademark WSC. The other side of the blade carries a broad arrow and a faint inspection mark. The blade is polished bright, the grips are made of undamaged wood and are held in place by 2 screw bots. The muzzle ring and pommel are blackened. The scabbard is the No5 Mk1 Version with a steel mouthpiece and is contained in a '37 pattern green webbing frog. This is a nice early No 5 pattern bayonet set made by Wilkinson Sword. See Skennerton item no. B293 on pages 238 - 240. The price includes U.K. delivery. BAYO 614
