Description

WW2 Era, British Officer's WD 'War Finish' Webley MK IV .380 Calibre Service Revolver With 3" Barrel & 6 x Inert Deactivated Rounds Of Kynoch .38 S&W Ammunition.**UK/EU DEACTIVATION CERTIFICATED** Sn 18450 - 18450

This is an original, WW2 era British WD Officer's MK IV .380 calibre 3" barrel, Service Revolver. The frame is stamped 'Mark IV .38', gas WD arrow and inspection mark and Webley's winged bullet trade mark. The top of the cylinder frame is stamped 'Webley & Scott Ltd Birmingham'. The frame is also stamped 'War Finish'. The cylinder is numbered 165680 which is repeated on the frame (partially obscured by a screw head). The pistol's original finely chequered grips are in similar excellent condition with embossed Webley roundels. It is complete with military lanyard ring. Deactivated to UK/EU specification in 2021 the weapon's trigger moves and rotates the cylinder but the hammer has been internally disconnected from the firing mechanism. The pistol's cylinder is cut and ringed and will not accept inert rounds. 6 x inert deactivated rounds of Kynoch ammunition accompany the pistol for display. The price includes UK/EU deactivation certificate and UK delivery. Sn 18450 £575.00
