Description

The Breaker 900 X from Hatsan is a highly capable and well made rifle ideal for pest control or plinking, it utilises a simple break barrel action but combines it with features like fibre optic open sights for an enhanced sight picture, a ventilated rubber butt pad to absorb recoil during firing and a resettable safety to bring modern convenience at a budget price.

Photo's are of the actual rifle in stock ready for collection in person or transfer to an RFD of your Choice
