● Pistol / Hand Guns ● Muzzleloader ● Williams & Powell ● .38

## Description

Stunning double barrel turn-over percussion pocket pistol with concealed trigger. The action is fully working and incredibly strong! The barrels, trigger and hammer all have much finish remaining. The barrels turn over very smoothly and lock well, both nipples are intact and the safety works well. The smooth walnut grips are in good shape and there is beautiful engraving all over the body. The pistol is marked with "Williams and Powell" on one side and "Liverpool" on the other. There are proof markings on both barrels.

NO LICENSE: ANTIQUE
