A very scarce 1943 dated Boyt U.S. Victory Model .38 Service revolver holster. The holster was official issue, not recorded in any of the usual equipment books. It is correctly stitched and riveted and is in very good condition. It has a brass press stud fastening on the front and "US" stamped inside the oval also on the front. On the rear it has a wire belt loop and a leather, stitched and riveted belt loop. The rear leather belt loop is stamped with "BOYT 43". The holster is open bottomed and measures 5" across at it's widest point and 9" long at it's longest point. The .38 service revolver fits snugly into the holster. The price includes Uk delivery.
