Australian L1A2 Bayonet, Scabbard & Frog For The FN Rifle.. Sn 10880:68 - 10880:68

An Australian L1A2 Bayonet, scabbard and frog for the F.N. Rifle. This is the Australian version of the British L1A1 Bayonet and was only made in Australia. It was the only bayonet issued with the F.N. Rifle unlike the British versions which went through several variations IE L1A1, L1A3 & L1A4. It has the protruding press stud on the pommel like the L1A1 but the blade has rounded fullers and a more pronounced bowie tip to the blade. There are no markings on the grips or blade and the grips are a grey matt finish. (see Skennerton's item A32, Page 291). The price includes UK delivery. Sn 10880:68 £125.00
