1967-1974 Sheffield and Rotherham Constabulary Mounted Police Sergeants & Constables Spike Topped Dress Helmet With Horse Hair Plume, Liner and Chin strap. Sn 11861 - 11861
Sheffield and Rotherham Constabulary was a short-lived Police Force in England from 1 June, 1967 to 31 March, 1974. It was created as a merger of the Sheffield City Police & Rotherham Borough Police, and covered the adjacent county boroughs of Sheffield and Rotherham. It was amalgamated under the Local Government Act 1972 with parts of the West Yorkshire Constabulary to form South Yorkshire Police. This is an excellent Sheffield and Rotherham Constabulary Mounted Police Sergeants and Constable's spike topped dress helmet. The blue cloth covering of the helmet is in superb clean condition. It has chrome finish ornate metal cross piece, ornately decorated spine with hook for chin chain support, spike and side rose bosses supporting a leather backed link chin chain. The front of the helmet bears the impressive Sheffield and Rotherham Constabulary helmet plate. The helmet has its original horse hair plume, leather sweatband and lining. The sweatband liner has some service wear but is all present. It is approx. UK size '7'. Price includes UK delivery. Sn 11861 £745.00
